Tips to Look Your Best on School Portrait Day.

1. **Solid colors or small simple patterns photograph best.**
Los colores solidos o ropa con diseños sencillos sequeños son los mejores para domarse una foto.
2. **Avoid T-shirts with logos or sayings.**
Evite usar camisetas con emblemas o frases.
3. **Long-sleeved shirts look best. Sleeveless shirts may be in Fashion but they accent the arms and look too casual.**
Las camisas de manga larga lucen mejor. Las cansas sin manga, aunque esten de moda, ecentuan los brazos y no se ven elegantes.
4. **Choose simple earrings and necklaces.**
Escoja pendientes y collares sencillos
5. **These portraits will be remembered for generations. Bring a natural smile your family will treasure.**
Estos retratos seran recordados por muchas gene ciones. Su familia le agradecera que sonria con naturalidad en su foto.
